

#13-172 Spray Gun & Hopper

- ▶ *Easy to clean unit*
- ▶ *Use for patch repair work or larger building projects*
- ▶ *Includes three easy-to-change nozzle sizes – 4mm; 6mm; 8mm*
- ▶ *A larger nozzle allows more material to flow through the tip resulting in coarser pattern*
- ▶ *A compressor unit (with a rating of 6.2 cfm free air at 25 psi) is required to be used with this sprayer. See Bon's Portable Texture Unit #13-481*

Spray these patterns and more!

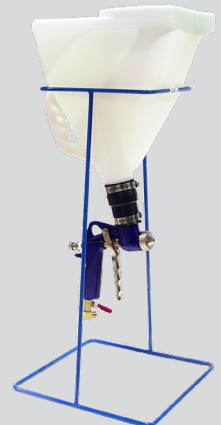

Make Your Job Easier with These Items From Bon
