

Pro Plus™ Poly Mortar Tubs & Buggies

Bon Pro Plus™ Poly Mortar Tubs are manufactured from medium density UV stabilized heavy duty polyethylene for durability and long life. The poly tubs feature a unique, twin formed, non-stick, inner surface for fast clean up. The edges are rolled for extra strength.

MORTAR TUB FOR FORKLIFT

- Three molded-in legs for forklift use
- 8-1/2 cu. ft. capacity

Part#	Length	Width	Depth
#21-226	49"	36"	22"
