

## Tile Spacing Leveling System

- ▶ Level, align, space and fix tiles in place for floor or wall projects
- ▶ Ensures flatness between tiles and eliminates movement while mortar is setting
- ▶ Tile wedges and tile spacer clips are used together
- ▶ Tile wedges are reuseable
- ▶ Use with non-slip clamping tool (#87-125)

Spacers available in three sizes:

#87-137	1/32"
#87-138	1/16"
#87-139	1/8"

*Note: Each tile requires  
4 wedges and 4 spacers*
