BON WAVE™ HANDLE PROVIDES GREATER COMFORT

(GIBSONIA, PA, USA) – Contractors are catching the wave to greater comfort with Bon's Wave™ Handle. A patent is pending on this arched back handle with finger holds on the underside. The unique ergonomic design provides contractors a comfortable and slip-free hold on Bon hand tools. The Wave™ delivers better fit, more control and ultimate comfort.

Bon's Wave™ Handle was first introduced as a comfort grip style handle and is now being manufactured in wood material as well. It is available on select concrete and masonry hand tools.

About Bon Tool Co:

Bon Tool Co., a leading manufacturer of construction tools and equipment in the United States, has been manufacturing construction tools for professionals since 1958. For more information contact our sales department at 800-444-7060 or visit the website at www.bontool.com.
